New Oxford in Spring

Spring is always a beautiful season and we think New Oxford looks especially captivating this time of year. Check out the stunning New Oxford photographs taken by our Facebook followers.

**A MESSAGE FROM CHAMBER BOARD
TREASURER TINA PALERMO:**

I am very excited to be a member of the 2018 Chamber Board of Directors as well as serve as this year's Treasurer. We have many exciting events coming up in 2018 and lots of fresh ideas to increase Chamber membership. We are a growing Chamber, but need our members' help to further increase our membership garden (in the spirit of Spring). I encourage you to reach out to your business neighbors/associates and invite them to our mixers and events so they can learn more about what we do. We have many membership benefits including a great lending arm program in the form of the Industrial Development Corporation (IDC). The IDC makes available a low interest loan for businesses that have (or plan to have) a New Oxford zip code. Loans of up to \$50,000 are considered at a fixed rate of 4%. These funds can be used to start a business, purchase real estate, fund business renovations or expansions, and even purchase new machinery and equipment. All loans are reviewed by the IDC committee and recommended to the New Oxford Area Chamber Board of Directors for final approval. I think this membership benefit is very valuable, not only to Chamber members, but the New Oxford community as well. Please reach out to the Chamber office to learn more and find out how your business can benefit from the IDC. It's time to grow and beautify the streets of New Oxford, and with a little water and business networking we can make it happen! Happy Spring!

2ND QUARTER UPCOMING MIXERS & EVENTS

MAY

Cross Keys Village-The Brethren Home Community will be hosting a BREAKFAST mixer on Thursday, May 10 from 8:00am-9:00am in the Garden Room of the Harmony Ridge Community Center!

JUNE

New Hope Ministries will be hosting this month's mixer on Wednesday, June 27 from 5:00pm-7:00pm at their New Oxford location, 120 N. Peters Street. Please attend this networking event to meet up with your fellow members!

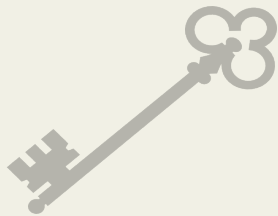

62nd Annual Antique Market & Craft Show
Saturday, June 16, 2018

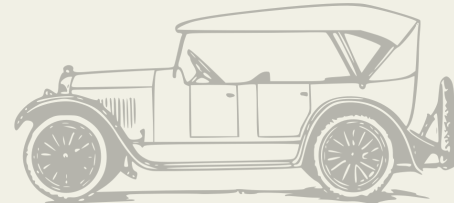

8:00am-3:00pm

Antiques, crafts, and food on New Oxford's historic Center Square and surrounding streets!

The longest continuously running antique show in the country with over 100 vendors!

**NEW THIS YEAR!
AN ANTIQUE CAR SHOW ON
SOUTH PETERS STREET!**

Please consider sponsoring this successful New Oxford Chamber event! Sponsorships available: \$500 Market Day Bag Sponsorships, \$500 Gold Sponsorships, \$250 Silver Sponsorships and \$100 Sanitation Sponsorships.

Contact the Chamber **before April 30** to reserve your sponsorship.

Antique dealer & craft vendor applications are available on the Chamber website at www.newoxford.org.

Interested food vendors **MUST** contact the Chamber for an application.

NOACC's Business of the Week Facebook Posts

You may have seen the Chamber's Friday Facebook posts featuring a member business. If not, check it out! This is a brand new initiative created by the Chamber board to highlight our member businesses. You can create the post or have one created for you. If you would like to be featured, please contact the Chamber office!

Have an upcoming event?

We can help you promote it!

We currently have three avenues for promoting member events:

1. Chamber End-of-Town Signs (Weather Permitting)

Have your event posted on the end-of-town signs located along Route 30 on the east and west ends of New Oxford. Please note the signs are not available May 15th thru June 16th for Market Day and September 27th thru October 27th for Harvest Day.

2. Chamber Facebook Page

Have your event shared on our FB page so our followers know about it!

3. Chamber Website Calendar

Last, but not least, the Chamber Google calendar is a great way for website visitors to quickly learn about your event!

Please contact the Chamber office if you would like your event promoted using any or all of these options!
