## New Oxford Hosts 63rd Annual Antique Market & Craft Show

The Chamber hosted the 63rd Annual Antique Market and Craft Show on June 15 in New Oxford. The day's festivities and beautiful weather brought out a large crowd to downtown New Oxford.

The day started with an introduction from New Oxford Mayor James Eisenhart and the singing of our National Anthem by Carol Behnke.

This year's event featured a variety of antique, craft, direct sales and food vendors. A "food court" area, featuring seating, was set up on the first block of Hanover St. for the first time this year. Look for the food court to grow in 2020! Additionally, direct sales vendors joined the event for the first time on S. Peters St.

Craft vendors filled the circle while antique vendors set up on the surrounding streets. The Chamber's Market Day tote bags were a big hit again this year. All 500 were gone by late morning! The 2019 totes, made by Minuteman Press, featured goodies from our members. Thank you to the Chamber members that donated items for the totes!

The Chamber would like to thank all of the people who made the 63rd Annual Market Day a success. We could not pull this event together every year without the support of our sponsors,

volunteers, vendors, the local fire police and police, Market Day Committee and, of course, all of the event attendees! Additional thanks to Neiderer Sanitation for donating trash services and Staff Music and Amusements for providing the ATM.

Thank you to the following sponsors:

**Major Sponsors:** Cross Keys Village - The Brethren Home Community, Members 1st Federal Credit Union, New Oxford Social & Athletic Club and Yazoo Mills

**Principal Sponsors:** Aero Energy, Minuteman Press, RLH CPAs & Business Advisors and Scott & Co. Fine Jewelers

**Friend of Market Day Sponsor:** Sleighter's Furniture & Sleep Shop

**Sanitation Sponsors:** Feiser Funeral Home, New Oxford Mechanical, Primerica Financial Services - Marc Weber, PWI Incorporated and Rosie's Restaurant

We look forward to seeing you at the 64th Annual Antique Market & Craft Show on Saturday, June 20, 2020. Interested in getting involved in next year's event? Email the Chamber at [info@newoxford.org](mailto:info@newoxford.org).

Thank you to our 3Q 2019 Chamber Champion:

**Remembering Former New Oxford Mayor  
Patricia Mummert Guise**

New Oxford lost a beloved member of its community when Patricia Mummert Guise passed away on April 27 at the age of 81.

Patricia was a graduate of New Oxford High School. She was the first woman to be elected Mayor of New Oxford (1985) and made many other significant contributions to the local community throughout her life.

Patricia was an individual member of the

New Oxford Area Chamber of Commerce before being nominated for honorary membership earlier this year.

In addition to her role as Mayor of New Oxford, Patricia also served as a Deputy Sheriff in Adams County. She completed police courses through the Pennsylvania State Police Academy and York Junior College. She received over 30 certifications and awards in public affairs, local government, police courses, judicial courses and community service organizations. Patricia was also an employee of Chamber member Aero Energy for almost 20 years.

Over the years, Patricia was a member and board member of many organizations including: the New Oxford Library, the Conewago Chapter of the Eastern Star, St. Paul's United Church of Christ (New Oxford), the New Oxford Municipal Authority and the New Oxford Exchange Club.

Patricia was a vital member of the New Oxford community, who will be missed greatly. Our thoughts are with her loved ones.

### Children's Aid Society Presents Study in D.C.

Dr. Janique Washington-Walker, Director of Clinical Services at the Children's Aid Society (CAS) recently presented at the Association of Psychological Sciences annual conference held in Washington, D.C.

Dr. Washington-Walker presented a pilot study titled "College Students Understand that Exposure to Adverse Childhood Experiences leads to Later Mental Health Consequences."

In collaboration with Gettysburg College, the research relationship grew from a Adams County Resiliency Work Group that CAS has supported for several years. Participants were Gettysburg College students. The follow-up study will include a sample of students from North Carolina Agricultural and Technical State University and will compare data from both institutions.

Preliminary results show that students have awareness of Adverse Childhood Experiences (ACEs) and the long term effect on mental illness; however, there is limited awareness regarding ACEs and long term physical health consequences.

## New Oxford End of Town Signs Get a Makeover

*Members of Boy Scout Troop 125 stand by the end of town sign on the west end of New Oxford*

The New Oxford Chamber of Commerce is pleased to announce that both end of town welcome signs recently underwent restoration thanks to Ray Deardorff and Boy Scout Troop 125. Ray and the Scouts generously donated their time to prime and paint both signs. Additional restoration work on the signs was also completed. We are grateful to have dedicated community members such as Ray who are willing to donate their time and energy to keeping New Oxford beautiful.

Prior to the restoration, the paint on both signs was chipping badly, and the sign posts were rusted. Both issues have now been addressed. The newly renovated signs were completed in time to welcome visitors to the 63rd Annual Antique Market & Craft Show on Saturday, June 15.

The Chamber would also like to thank our paint and primer donor for helping make this restoration possible.

To see more pictures of the restoration process and before and after photos, please visit our Facebook page.
