## HELLO AND WELCOME!

We would like to cordially invite you and your business to join or rejoin the New Oxford Area Chamber of Commerce. The New Oxford Area Chamber of Commerce is an incredible way to get involved in the local community, creating a better environment for work, relaxation, and growth. When you become a member, you will be helping our community improve its overall well-being. Plus, Business/Professional Membership dues are currently prorated meaning if you pay \$80 anytime between October 1 and December 31, 2018, your membership will be covered through 2019. You won't receive an invoice for membership renewal until 2020.

### Chamber Newsletter

A quarterly Chamber newsletter is sent to all members the first month of the quarter and highlights upcoming Chamber events, member/community news, and includes the opportunity to advertise your business and spotlight it in the newsletter as the New Oxford Area Chamber Champion of the Quarter!

### Chamber Mixers

Many members of the Chamber take advantage of their membership by hosting a mixer at their place of business and encouraging people to attend. This provides an opportunity to introduce themselves and their business to other members to socialize, network, and to meet new members. On occasion several businesses join together as hosts.

### Member Promotional Items Display

Members have the ability to display any promotional print items such as brochures, flyers, and business cards in the New Oxford Area Chamber of Commerce office located at 27 Center Square!

### Industrial Development Corporation Loans

The Chamber also offers a business loan program which members can take advantage of if they meet the specified qualifications. If you would like more information on IDC loans please check out the Chamber website or stop in to the Chamber office.

## Membership Directories

The 2018 membership of the NOACC represents over 100 Companies in the New Oxford Area. Check out the membership company listing at <http://www.newoxford.org/>. FREE Company listing on website is included with your membership investment fee as well as a FREE listing in our yearly Business Directory brochure (2018 enclosed).

## PCI Insurance

As a member of the New Oxford Area Chamber of Commerce, your business has the opportunity to participate in PCI Insurance programs. The PCI Insurance group acts as a broker so each company is viewed as its own entity. Please contact your chamber representative for more information.

## *New Oxford Community Events*

The NOACC sponsors two annual community activities through which businesses can raise brand awareness by sponsoring or becoming a volunteer:

New Oxford Antique Market & Craft Show (Every 3<sup>rd</sup> Saturday in June)

New Oxford Harvest Day Festival & Parade (Every 4<sup>th</sup> Saturday in October)

The NOACC is also a proud sponsor of the annual Old-Fashioned Christmas Tree Lighting Ceremony in New Oxford which takes place at the end of every November.
