2017 Year in Review

The Chamber is proud to bring our members a quarterly newsletter for the year 2018! As our first newsletter of the year, we would like to recognize some of the great events that took place in 2017. We began 2017 with innovation in New Oxford with the installation of an electric car charging station at Redbud House and The Christmas Haus. Those who have to charge their fuel efficient car can now do so in New Oxford! The 61st Annual Market Day & Antique Show took place on June 17th and everyone had a wonderful time with antiques and attendees aplenty! At our Fall Breakfast, which took place on September 26th, we honored our Business of the Year, Eicholtz Company. Congratulations Alan Stock and the team at Eicholtz Company for demonstrating excellent service within the New Oxford community! The 10th Annual Harvest Day Festival & Parade took place on October 28th and was a huge success with beautiful fall weather and a plethora of attendees! We are now looking to expand vendor space availability and grow Harvest Day. As the year 2017 came to a close, the Chamber elected new Board of Directors' officers, as well as gained two new board members, Brent Toomey from New Hope Ministries and Christina Palermo from M&T Bank. The Old-Fashioned Christmas Tree-Lighting took place on November 25th, the same day as Small Business Saturday, and was another huge success for the Chamber. There were many in attendance on the cool November evening with lots of children visiting with Santa and his elves! We are so lucky to have many fun activities & events throughout the year and look forward to starting off 2018 right with this newsletter and continue to add more value to a New Oxford Area Chamber of Commerce membership!
