

New Oxford's 2021 Shop Small Bingo

Instructions: Thank you for your interest in participating in our 2021 Shop Small Bingo game. Shop Small Bingo kicks off on Small Business Saturday (November 27) and runs through Sunday, December 26. Each "bingo" you complete (five in a row - across, down or diagonal) will give you one entry toward our Shop Small giveaway basket, courtesy of our local businesses. You may complete multiple "bingos." To qualify, please ask the small business to stamp or sign the corresponding box below once you have met the requirement. For the bingo items that are online, please make sure to tag the Chamber or fill in the blank below where applicable. Entries must be dropped off to the Chamber office (27 Center Square) by Monday, December 27 to be entered toward a prize. If the office is not open, please use the door slot. An emailed copy of your form is also acceptable (info@newoxford.org). One submission per person. Questions? Stop by the Chamber office or send us an email.
