

New Oxford Harvest Hunt

Business Registration Form Saturday, October 10 - Saturday, October 24

About Harvest Hunt:

October in New Oxford usually means that it is time for the annual Harvest Day Festival & Parade. This October things are a little different. Although we are disappointed that we cannot host our usual event this year, that doesn't mean we can't have fun! This year, in place of Harvest Day, the New Oxford Area Chamber of Commerce is excited to introduce the "New Oxford Harvest Hunt." This multi-week event was created with our local businesses and community in mind. The event will run from Saturday, October 10 - Saturday, October 24.

We would like to invite your business to participate in this new event. Participation is free! For additional information about the event, please refer to the invitation letter. **If you are interested in participating, please fill out and send the bottom portion of this form to Michaela Shaffer, Marketing & Membership Coordinator by Monday, September 28 to ensure your business is included in the event booklet.** Registration forms can be emailed to info@newoxford.org or dropped off at the Chamber office at 27 Center Square. If the office is closed, forms can be dropped in the mail slot.

Business/Organization Name: _____

Contact Name for Event: _____
