

Business Registration Form

Event Dates: Saturday, December 12 - Sunday, December 27

About Holiday Hunt:

Holiday Hunt will follow the same format as Harvest Hunt did in October. There will be a scavenger hunt as well as a decorating contest for businesses. The only addition to this event is a residential decorating contest (separate registration form). New Oxford Holiday Hunt will run from Saturday, December 12 through Sunday, December 27.

Your business is invited to participate in this free event. Businesses will be provided with an item to hide for the scavenger hunt. If you are a business that would like to encourage participants to come inside your business, you will have the option of hiding your item inside. If you are a business that is by appointment only, such as a medical office, you can hide the item where it can be seen from the outside of your building. Businesses will be designated as an inside or outside hide in the event booklet so that participants know where to look for the hidden item.

Businesses are also invited to decorate their business in a holiday theme for the duration of the event. Participants will have the opportunity to vote for their favorite decorated business in the event booklet. The business with the most points will receive a prize.

If you are interested in participating, please fill out and send the bottom portion of this form to Michaela Shaffer, Director of Membership & Marketing, no later than Monday, November 30. Forms received after this date may not be accepted. Registration forms can be emailed to info@newoxford.org or dropped off at the Chamber office at 27 Center Square. If the office is closed, forms can be dropped in the mail slot.
