65th Annual Market on the Square is Right Around the Corner

New Oxford's 65th Annual MARKET ON THE SQUARE

ANTIQUES | VINTAGE | COLLECTIBLES | CRAFTS | FOOD | ENTERTAINMENT

The New Oxford Area Chamber of Commerce is pleased to announce that the 65th Annual Market on the Square will be held on Saturday, August 14 from 9 a.m. to 3 p.m.

Previously known as the Antique Market & Craft Show, the chamber is excited to share the event's official new name: Market on the Square. This beloved local event has gone through multiple name changes over its 65 years of existence, and the chamber is excited to continue this annual tradition by preserving the core focus of the event while introducing some new features. While antique dealers, artisans, crafters and food vendors will continue to be the focal point of Market on the Square, organizers are excited to expand the event's offerings in 2021. Additions include a mini farmers market, entertainment and vendors specializing in vintage items, collectibles, repurposed furniture and more.

Market on the Square will return to its traditional date of the third Saturday in June in 2022. This year's date change is due to a number of factors, including planning, feasibility and safety.

Vendor applications are currently available for the following categories: antiques, vintage, collectibles, repurposed furniture, handmade crafts, artisan products, farmers market goods and food. Additional information for vendors and attendees can be found on our Facebook event page and at [newoxford.org/market-on-the-square](#).

Market on the Square is one of the longest running street shows in the country drawing a large crowd annually.
